Am C G D/F#  
To see what's going on in my head  
F G F G  
But somehow you know, you can hear it What's going on in my spirit

That are whispering in my ear  
F G F G  
I know you see right inside me Putting the past behind me  
F G C  
As you remind me who I am.... Chorus x 2
